SERVICE FEES AND BILLING CODES

1. PURPOSE

This directive transmits the fee schedule and billing codes for official services performed by the Grain Inspection, Packers and Stockyards Administration, Federal Grain Inspection Service (FGIS). Further, it transmits the new billing rate codes for Inspection and Weighing Services performed in the United States under the United States Grain Standards Act.

2. REPLACEMENT HIGHLIGHTS

This is a new directive. This directive replaces FGIS-PN-01-04 (dated 5/1/01), FGIS-PN-01-05 (dated 5/1/01), and FGIS-PN-01-09 (dated 7/27/01).

3. AUTHORITIES

The United States Grain Standards Act, as amended

The Agricultural Marketing Act of 1946

Title 7, Code of Federal Regulations, Parts 800 and 868

4. POLICY

Fees assessed by FGIS for official services shall be reasonable, nondiscriminatory, and cover the estimated cost of the service. These costs include direct, administrative, and supervisory costs related to these services.

5. FEES AND BILLING CODES

The attachments transmit the fees and billing codes for official services provided by FGIS.

Attachment 1- Fees for grain inspection and weighing services in the United States
Attachment 2- Fees for grain inspection and weighing services in Canada

Attachment 3- Fees for supervision of grain inspection and weighing services in the United States

Attachment 4- Fees for rice inspection services

Attachment 5- Fees for commodity inspection services

Attachment 6- Fees for laboratory tests

6. INQUIRIES

Direct all inquiries regarding fees or billing codes to the Director of Field Management Division at (202) 720-0228.

David Orr, Director
Field Management Division

1/ Fees apply for original inspection and weighing, re-inspection, and appeal inspection service and include, but are not limited to, sampling, grading, weighing, prior to loading stowage examinations, and certifying results performed within 25 miles of an employee's assigned duty station. Travel and related expenses will be charged for services outside 25 miles as found in section 800.72.

2/ An additional charge will be assessed when the revenue from the services in the above section does not cover what would have been collected at the applicable hourly rate as provided in section 800.72(2).

3/ If performed outside of normal business hours, 1 ½ times the applicable unit fee will be charged.

4/ If, at the request of the Service, a file sample is located and forwarded by an agency for an official appeal, the agency may, upon request, be reimbursed at the rate of \$2.50 per sample by the Service.

5/ Board appeal inspections are based on file samples.

6/ Testing Aflatoxin for HPLC should be charged at the applicable USGSA non-contract hourly fee, utilizing rate code G240, by the total number of hours (3.75) required to perform the testing.

7/ If a ship has had, and passed, a stowage examination at one port location but not loaded all holds examined and then moved to another port, the subsequent stowage examination shall not be charged the minimum hold fee but only the per hold unit charge.

8/ Testing fees are applicable to any level of service (original inspection, re-inspection, appeal inspection, or Board appeal inspection) and do not include a sampling service fee which, if applicable, will be assessed separately in accordance with the fees in this schedule.

B. If a requested test is to be reported on a specified moisture basis, a fee for moisture test will also be assessed.

C. Laboratory tests referenced above will be charged at the applicable laboratory fee listed above when performed at field locations other than the applicant's facility.

1/ When laboratory testing service is provided for FGIS by a private laboratory, the applicant will be assessed a fee which, as nearly as practicable, covers the costs to FGIS for the service provided.

2/ For military contract samples, to compute the testing charge for tests that are listed on a per unit basis, multiply the number of required units (given by the inspection level) by the per unit fee.

3/ Fees for other laboratory tests not referenced under Laboratory Fees will be based on the regular hourly rate.
